<<市场营销威力工具AMBUSH MA>>

内容概要

The Sponsorship Report, November 2006 This step-by-step instruction manual for prospective ambushers may be a big-event sponsor's best friend... It's a fun read, instructive and entertaining, bound by its deliberately non-judgemental style to offend more than a few. Review Marketing Magazine : “ The Ambush Marketing Toolkit will either help you plan your attack, or defend against one. ” The Sponsorship Report :
“ This step-by-step instruction manual for prospective ambushers may be a big sponsor's best friend. . . . It's a fun read, instructive and entertaining, bound by its deliberately non-judgemental style to offend more than a few. ”

作者简介

Kim Skildum-Reid , Ambush is a complex and controversial strategy. Making one really deliver is not easy, and neither is defending against one. Kim Skildum-Reid leaves ethics aside and sticks to strategy as she shows you how to choose and mount an ambush th
