内容概要

Hello, Parent!

books have been designed –

* for parents to read to children

* for children to read to parents

* for children to read themselves

- to make your child a better reader.

High-interest stories make reading fun! Stories have been tested for vocabulary and sentence length to help you make the right choice! A letter from an education specialist gives you valuable advice on how to read to your child and how to listen to your child read to you!

‘ Learning to read is one of the most important accomplishments of early childhood. ’

-----Francie Alexander, Chief Academic Officer Scholastic Education.

This is the story about a little dog, no kisses please!
