内容概要

Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. After going through the practice questions, you can use the workbook again as a refresher to prepare for the Regents exam by taking a full-length practice test. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review.
