Scores of stunning images, artfully rendered by Marty Noble, have been adapted from artifacts of the area's principal countries: Burma, Thailand, Laos, Cambodia, Vietnam, and Malaysia. Included are images of serene Buddhas, sandstone sculptures, textile designs, details from decorative panels, temple ornaments, shadow puppets, papier-mache masks, and a host of other motifs. The set contains:

One CD-ROM containing 150 high-quality, permission-free images scanned at 600 dpi and saved in six different formats (TIFF, PICT, EPS, BMP, as well as Internet-ready JPEG and GIF) A large-format 64-page book with every image on the CD-ROM printed large and clearly on one side of the page for easy reference Ideal for adding a distinctive cultural flavor to any project, these entrancing illustrations will inspire designers, graphic artists, and craftworkers.
