<<皮特小姐的制作/The making o>>

内容概要

A full-color illustrated guide to the background and making of the motion picture on Beatrix Potter ' s life, starring Ren é e Zellweger as Beatrix and Ewan McGregor as the man she loved. The book takes the reader behind the scenes to give a real flavor of the film set and includes sections of the script, the costumes, production design, all the main actors, the experiences of the director, producer and scriptwriter, and the views of Ren é e Zellweger herself on being Beatrix and what the connections are between the real Miss Potter and the woman who is playing her.
