<<100 wonders of the W>>

内容概要

This book will transport you to the most stunning places in the world. Discover one-of-a-kind natural paradises and awesome manmade structures around the globe, from Africa to Asia and Oceania, from Europe to North and South America. Extensive descriptions and fascinating photographs capture the magic of stunning natural wonders and impressive constructions. Delve into the world of towering mountain ranges, fire-spewing volcanoes, ancient trees, towers and skyscrapers that truly reach for the heavens, intriguing bridges, historical temples and churches and much, much more.
