## 内容概要

How often have you seen a teenage girl pretend to be perturbed, but secretly smile, when she is told that she acts or looks just like her mother? Fathers, brothers, and friends sometimes shake their heads in wonder as girls "turn into their mothers." This new collection from Chicken Soup represents the best 101 stories from Chicken Soup's library on the special bond between mothers and daughters, and the magical, mysterious similarities between them. Mothers and daughters of all ages will laugh, cry, and find inspiration in these stories that remind them how much they appreciate each other. The first Chicken Soup for the Soul book was published in 1993, and became a publishing industry sensation, ultimately selling eight million copies. Since then, more than 150 Chicken Soup titles have been published, selling more than 100 million copies. Chicken Soup for the Soul has won dozens of awards over the past 15 years, and its founders, Jack Canfield and Mark Victor Hansen have become celebrity motivational speakers and authors.
