章节摘录

To illustrate how to write replying letters , the following know-how of writing a replying letter for business inquiry is to be exemplified. When replying to a letter of inquiry from clients , associates , customers or colleagues , it is important to maintain an appropriate amount of formality. Your written communication may very well be the first and possibly only correspondence between you and the original sender , so making a good impression is crucial. Do exactly as the following guidelines show to make sure that you put your best face forward.
