## <<剑桥第一证书英语考试教程2>>

### 内容概要

英国剑桥大学考试委员会根据欧洲语言测试者协会制定的语言大纲推出了“剑桥英语五级证书考试”，旨在推进欧洲语言测试者协会20多个成员国之间的英语水平相互认证。这一英语等级考试体系同时也被欧洲及英语国家广泛接受，当作出国留学或进入商务领域的语言水平认证。

根据运用语言的能力，“剑桥英语五级证书考试”的等级大致可描述为：入门证书水平（KET），即能够以英语就日常话题进行简单交流，是剑桥少儿英语三级之后进入更高阶段的第一个等级；初级证书水平（PET），即具备运用英语解决日常事务的能力；第一证书水平（FCE），即能够在商务环境下或就某些稍具专业性的话题进行交流，同时此水平的考试也被作为母语为非英语人员申请到欧洲留学的语言水平认证；高级英语证书考试水平（CAE）。

即能够从文化层面上把握语言在各种场合下的应用，能够凭借英语进入某专业技术领域从事工作或初步具备了以英语作为工作语言进入学术领域的能力；英语熟练证书水平（CPE），即剑桥大学考试委员会认为母语为非英语的人士已经完全具备了以英语进行深度学术研究的能力。

《剑桥英语等级考试系列》就是在上述背景下引进的原版图书。

## 章节摘录

In this part of the paper, you need to choose one word or phrase from a set of four (A, B, C or D) to fill a gap in the text. It is a good idea to read the text through quickly first to get an idea of what it is about. When deciding which option is correct, you must remember that the correct meaning of the word is not always enough. Very often you need to look at the structure of the sentence or look for fixed phrases and collocations as well as phrasal verbs and linking words. Answer all questions. Even if you guess, you have a 25% chance of success.

Here are a number of examples of multiple-choice cloze questions and what to look out for:

**1 Meaning** It may involve choosing a word according to meaning only. For example: It is common for \_\_\_\_\_ to visit Delphi during the summer. A observers B spectators C sightseers D passers-by The answer is sightseers because it fits in terms of meaning.

**2 Grammar** It may involve choosing a word that fits in with the grammar of the sentence. For example: He never \_\_\_\_\_ in reaching the source of the river. A managed B achieved C arranged D succeeded The answer is succeeded, not because it fits in with the meaning but because it is the only one that is followed by in and a gerund.

**3 Fixed phrase** It may involve choosing a word that fits in a set phrase. For example: Students rarely \_\_\_\_\_ any notice of their landlords. A paid B took C got D brought The answer is took because it is part of the phrase take notice of.

**4 Collocation** It may involve choosing a word that usually goes together with another word. For example:

The road was once used by smugglers. A curling B rolling C winding D waving

The answer is winding because it is the only one that goes with road.

**5 Phrasal verbs** It may involve choosing a word that forms a phrasal verb with the correct meaning. For example: Scientists have been quick to \_\_\_\_\_ out the problems with the new theory. A point B give C let D come

The answer is point, not because the other words do not form phrasal verbs with the word out, but because point out fits in with the meaning of the sentence.
