" I asked.⁴¹ "Yes , " he replied. "I've saved some of my favorites." He waved toward a high boy by the window. "Would you get the packet of letters out of the top drawer ?
" he asked. "It's wrapped in ribbon. "⁴² I found an old letter with my handwriting and read aloud : "Dear Uncle Arthur , I am writing this to you as I sit under the hair dryer at the beauty salon~ . Tonight is the Holiday Ball at the high school and I am spending your Christmas check having my hair done for the party. Thank you so very much.
