<<高考英语听力标准训练>>

内容概要

《普通高中英语课程标准（实验）》指出：“语言技能是语言运用能力的重要组成部分。语言技能包括听、说、读、写四个方面的技能以及这四种技能的综合运用能力。”

因此，听能训练和听能测试是中学英语教学和高考英语测试的重要组成部分。与此同时，各种高考听力备考用书鱼龙混杂，泥沙俱下。

为满足考生对高质量听力备考用书的需求，以免受到劣质图书的误导而步入歧途，从而在有限的时间内迅速提高听力理解能力，准确理解高考听力命题思路，熟练掌握高考听力应试技巧，我们特邀研究高考命题多年的著名高考听力测试专家、经验丰富的中学特级教师编写了“快捷英语”高考英语听力系列图书。

章节摘录

M : Allright. I will change my plans so I can go. It would be all honor for me to attend. 听下面一段对话，回答第10至第12三个小题。

现在，你有15秒钟的时间阅读这三个小题。

(Text 8) M : Hi. Helen. W : Hi. Tony. How are you doing ?

M : Not bad. Say, are you doing anything tonight ?

Would you like to go out ?

w : Sorry, I can't. I have to finish a project report in my office. M : How about Sunday night ?

Are you doing anything then ?

W : No. I'm not. What are you planning to do ?

M : How about seeing a movie ?

I know there's a new movie that's showing. W : Oh, that's a good idea. M : Great. What about having a pizza first ?

W : Sure, why not ?

Where would you like to meet ?

M : Shall I pick you up at your house ?

W : OK. What time ?

M : Is 7 : 00 OK ?

W : Fine, well, see you then. 听下面一段对话，回答第13至第16四个小题。

现在，你有20秒钟的时间阅读这四个小题。

(Text 9) W : Welcome to our program. Sam. M : Thank you. W : Sam, how long have you been a police officer ?

M : I've been a police officer for thirty years. I've done everything from patrol to undercover work to detective work ; and now I'm supervising investigations : w : Sam, I think most people would say that being a police officer is very stressful work , and would you agree ?

M : Yes, it's definitely a stressful job. But it depends on your assignment. W : So, what's probably the most stressful assignment you can have ?

M : I'd say patrol is the most stressful assignment. W : That's interesting. In what way ?

M : Well I guess the biggest part of the stress is the fear factor—the fear of the unknown. In patrol work , you don't know from moment to moment who you are talking to or what their reaction is going to be to justify your presence. For example , a patrol officer stops someone for a traffic violation. But there are more officers injured during a routine stop. W : Really ?

M : Really. That's why all police officers are taught from the very beginning to be aware of their surroundings. W : I see. Let's take a break and then we'll move on to our next topic. 听下面一段独白，回答第17至第20四个小题。

现在，你有20秒钟的时间阅读这四个小题。

(Text 10) M : Many Americans follow traditions meant to bring good luck in the New Year. Some people wear special clothes or eat special foods. For example , men and women who want to find their true love wear yellow clothing. Others carry silver in the hope of finding money. People in many parts of the United States celebrate the New Year by eating black-eyed peas. Cabbage is another vegetable that people eat to bring good luck and money. In the south , people prepare and eat a traditional food called Hoppin' John. It contains peas , onions , bacon and rice. It has this unusual name because long ago children were said to like it so much they hopped around the room while waiting for it to cook.
