## 内容概要

This book contains just some of the many topics covered by our dedicated team of Chinese and foreign journalists and photographers, from social changes affecting millions of people to innovative business trends involving billions of dollars. They have traveled across China and the world to listen to the voices of those on the ground, to record their tales of sorrow, their tales of hope and their tales of survival in the face of disaster.

<<追踪中国>>

书籍目录

EYE ON CHINA

Bodyguards a safe investment for rich  
Poor patients dicing with their lives  
They survived SARS, but live in agony  
Copy-making vs profit-making  
Magazines turning new page in battle for readers  
Human flesh search could turn predatory  
Donors kept in the dark on where money goes  
Nuclear reaction to tourist attraction  
Misconceptions about contraception  
AIDS and the elderly  
Gay rights in China: Road to respect  
Migrants cash in on labor shortage  
'Ants' feel the bite of being forced out

VIEW FROM THE VILLAGES

Radical treatment for healthcare  
Trade in trigger-happy towns  
'Work widows' suffer in silence  
From land to luxury  
Green NGO drives change at grass roots  
'Strangers' return to a frosty village welcome  
Getting past the class divide  
Taking, the flicks into the sticks  
Travelers make final stretch for reunions  
Unlike parents, young migrants won't take their fate lying down  
Fight against AIDS has a long way to go  
Democracy takes root in rural areas  
Home alone in the countryside

CITY LIFE

'I will never give up my search'  
Foreign faces there for rent  
When love no longer reigns for 'kings & queens'  
Springing the Net to reconnect  
Couples become easy prey in tube baby boom  
Heartache of childless couples  
Short-term gain vs long-term strain  
Bidding fashionable farewell to the dead  
Too good to waste as rubbish is chic  
Bid to make the way to heaven smooth  
Eking out a living is becoming burden  
Underpaid, overworked and ignored  
Ancient cures for modern ills  
Prejudice forcing men offwards
