内容概要

It is impossible to watch this book go out into the world without wondering what Burton himself would have thought of it. Certainty is impossible, for only Allah knows all; but I do not think there is reason for much doubt. Burton may have issued his translation in a strictly limited edition, and adjured his subscribers to keep it under cover, but to translate and issue the work at all, under whatever restrictions, was a courageous act in an age which, even more than our own, "was saturated with cant and hypocrisy. "Before the limited audience which he chose to address he defended the obscenity, pornography, or turpiloquium of the Nights--call it what you will--with vigorous candor and wise argument. Had the time been ripe for him to come before a larger audience, he would have done so; but it was not.

章节摘录

版权页：插图：1 The Frog-King, or Iron Henry In old times when wishing still helped one, there lived a king whose daughters were all beautiful, but the youngest was so beautiful that the sun itself, which has seen so much, was astonished whenever it shone in her face. Close by the King's castle lay a great dark forest, and under an old lime-tree in the forest was a well, and when the day was very warm, the King's child went out into the forest and sat down by the side of the cool fountain, and when she was dull she took a golden ball, and threw it up on high and caught it, and this ball was her favorite plaything. Now it so happened that on one occasion the princess's golden ball did not fall into the little hand which she was holding up for it, but onto the ground beyond, and rolled straight into the water. The King's daughter followed it with her eyes, but it vanished, and the well was deep, so deep that the bottom could not be seen. On this she began to cry, and cried louder and louder, and could not be comforted. And as she thus lamented someone said to her, "What ails you, King's daughter? You weep so that even a stone would show pity." She looked round to the side from whence the voice came, and saw a frog stretching forth its thick, ugly head from the water. "Ah! old water-splasher, is it you?" said she, "I am weeping for my golden ball, which has fallen into the well."
