## 内容概要

In welche Richtung entwickelt sich die Kommunistische Partei Chinas ?

Welcheneuen Tendenzen gibt es in den linken Parteien Europas , insbesondere in Deutschland ?

Diese Fragen sollte das vorliegende Buch beantworten.

Die Autoren dieses Buches diskutieren aus verschiedenen Blickwinkeln ubertheoretische Fragen des Parteaufbaus und der Parteientwicklung , Fragen derEntwicklung der innerparteilichen Demokratie in der KP Chinas und derZusammenarbeit mit den anderen demokratischen Parteien in China sowiethoretische und praktische Probleme der Linken in Deutschland und in Europa.

编辑推荐

The Center for Political Party Studies is a non-Profit-making academic organization that established according to relevant regulation of the Compilation and Translation Bureau of the CPC Central Committee. This center is support by abundant political party research resource of Compilation and Translation Bureau , engages researchers extensively inside and outside the Bureau , organizes and coordinates the researchers of various fields. It carries on extensive and profound research on important theoretic and realistic problem of party politics in and outside China , serving Party construction , Party development and socialist political civilization construction. The main research range of the center is : ( 1 ) general theory of the party politics; ( 2 ) the universal law of political party ruling and the law of Communist Party ruling; ( 3 ) building and ruling theory , method , experience and lessons of other political parties in the world ; ( 4 ) the theory and practice of Communist Party of China's construction , reform and development; ( 5 ) question and system innovation , development strategy and countermeasure in the locality , department and enterprise Party building. This center will offer services for the central and regional authorities , the departments , enterprises and institutions , such as subject studying , surveying and studying report , policy consultation , domestic and international academic exchange and talent training.
