章节摘录

Children's education. Actually it doesn't cost US that much because the government pays a lot. And the lowest one is Clothing. We love to wear neatly and nicely, but we don't buy clothes every month, do we?

M: Thank you very much, Sandra. Have a nice day!

听力训练 (12) (A) 1. W: Oh, it's cloudy now. I think it'll be rainy tomorrow. M: No, it won't. The radio says that the weather will be much better. 2. W: Hi, Tim. Why are you on your bike today?

You usually walk to school. M: I have to because I'm a little late today. 3. M: Hi, could I get your name and could you tell us something about your daily life?

W: Well, my name's Linda. And I usually get home at 5:00. After supper around seven. I usually start my homework. 4. M: Look at the three women, do you know them?

W: I know one of them. She is my aunt. M: Which one?

W: The one who has long hair and wears glasses. 5. W: Are you good at surfing, Tom?

M: No, I'm not. I can't do it. What about you, Linda?

W: Neither can I. But I know Bill is good at it. (B) 6. W: It's April 12th, isn't it?

M: Yes, only ten days before Mary's birthday. 7. W: You speak beautiful English. Are you from London or New York?

M: Thank you. But I'm from Toronto. 8. W: Did someone tell you the answer to the question?

M: No, the teacher told me to find the answer myself. 9. W: Jack sent you a present last week, Tom?

M: I got one from Peter but not from Jack. 10. M: I'm sorry to trouble you. Can I borrow your ladder?

W: Sure, with pleasure. By the way, what do you want it for?

M: It's Tom. He can't reach the kite in the tree. (C) 1. M: Read this dialogue in pairs, please.
