<<小鸟说话>>

内容概要

The Chinese Library Series is a collection of graded readers aimed at pupils studying Chinese as a foreign language . To make the reading more accessible and enjoyable . The stories are short as well as culturally and linguistically authentic . The vocabulary is relevant to and chosen from multiple exams . To aid comprehension , every story is fully illustrated with delightful drawings . Each reader is accompanied by 3-4 pages of exercises . A Chinese—English word list makes it easy for pupils to work independently . A free CD—ROM included narrates the story with subtitles . The best way to learn Chinese is to start reading . The Chinese Library Series helps pupils experience reading Success in their early years of learning Chinese .
