## 内容概要

Guangzhou Municipality , capital of Guangdong Province , is the center of politics , economy and culture of the province . Legend has it that riding on the backs of five colored rams , five immortals once came to Guangzhou , bringing the 10 ears of rice as a gift and teaching them how to plant rice . The immortals wished them a happy life without hunger forever . So Guangzhou has another two names . " Yangcheng " ( City of Rams ) and " Suicheng " ( City of Rice Ears ) . Located in the subtropical South Asia characterized with oceanic monsoon weather . Guangzhou has got long summers , short winters . Warm with a rich rainfall , vegetation is thriving green here all the year round . So Guangzhou is also a city of flowers . With a long history of over 2200 years and a population of over 90 million . Guangzhou is a prosperous metropolis located on the northern line of the Tropic of Cancer . Its history can be traced far back to 214 BC when General Ren Xiao built Panyu Town . Facing the Pacific and adjacent to Hong Kong and Macao , Guangzhou is endowed with an excellent geographic location . With unique natural southern features , a proliferation of cultural and historic relics and well known Cantonese cuisine , Guangzhou has been selected one of 24 ancient historic cities by the Chinese Government . It is very attractive to tourists as one of the key cities of tourism in China .
