<<Cool Restaurants Hon>>

内容概要

The gateway to China, and Asia beyond, Hong Kong has long straddled the divide between East and West. Its dining hotspots infuse Asian design principles with a dash of international flair. As you might expect from a world-class commercial metropolis, the dining scene here is multi-faceted and always welcomes innovative newcomers. This addition to teNeues' highly successful Cool Restaurants series is indispensable for all who wish to be in-the-know about Hong Kong's hippest dining.
